

# RISE™ Summer School Program Materials List

This resource provides an overview of all material and texts necessary to implement the Lavinia RISE curriculum this summer effectively. Some materials will need to be purchased through a vendor of your choice, and others may already exist within your school buildings. We recommend you purchase texts from [Mackin](#) or Amazon Business.

As part of our updated literacy curriculum, students in Rising 1st and 2nd grades will need our summer decodable texts, RedThread Readers, which will be ordered through a printing company. The ordering link can be found [HERE](#) within our RISE RedThread Readers FAQ guide.

The teacher-facing curriculum, student handouts, and phonics materials can be accessed digitally through the RISE Summer School Portal and printed locally. Please note in many cases, we have provided links to sample materials for easy reference. When costs are listed, they are estimates and may vary depending on the purchase location and quantity.

Curriculum	Materials
